

BIRDCGUIDES

FIRST FOR BIRD NEWS

BRAND NEW WEBSITE AND APP

www.birdguides.com

NEW DESIGN!

Free trial available!

Welcome to the all-new BirdGuides website
– Britain's leading content-based birding and wildlife service, accessible across all devices

Relaunched in July 2017, our key benefits include:

- Great new design with mobile-friendly interface
- Key details of all the world's bird species and families, searchable by IOC and Clements taxonomies

All-new galleries:

- View and upload larger images
- Share birding videos

Improved bird news services:

- Fully interactive BirdMap
- Enhanced sites database
- Latest sightings integrated with Google Maps

Online listing:

- Keep your favourite lists online
